

Come visit the Matrix, a centralized resource to view current information on technical assistance, information services, and other education activities.

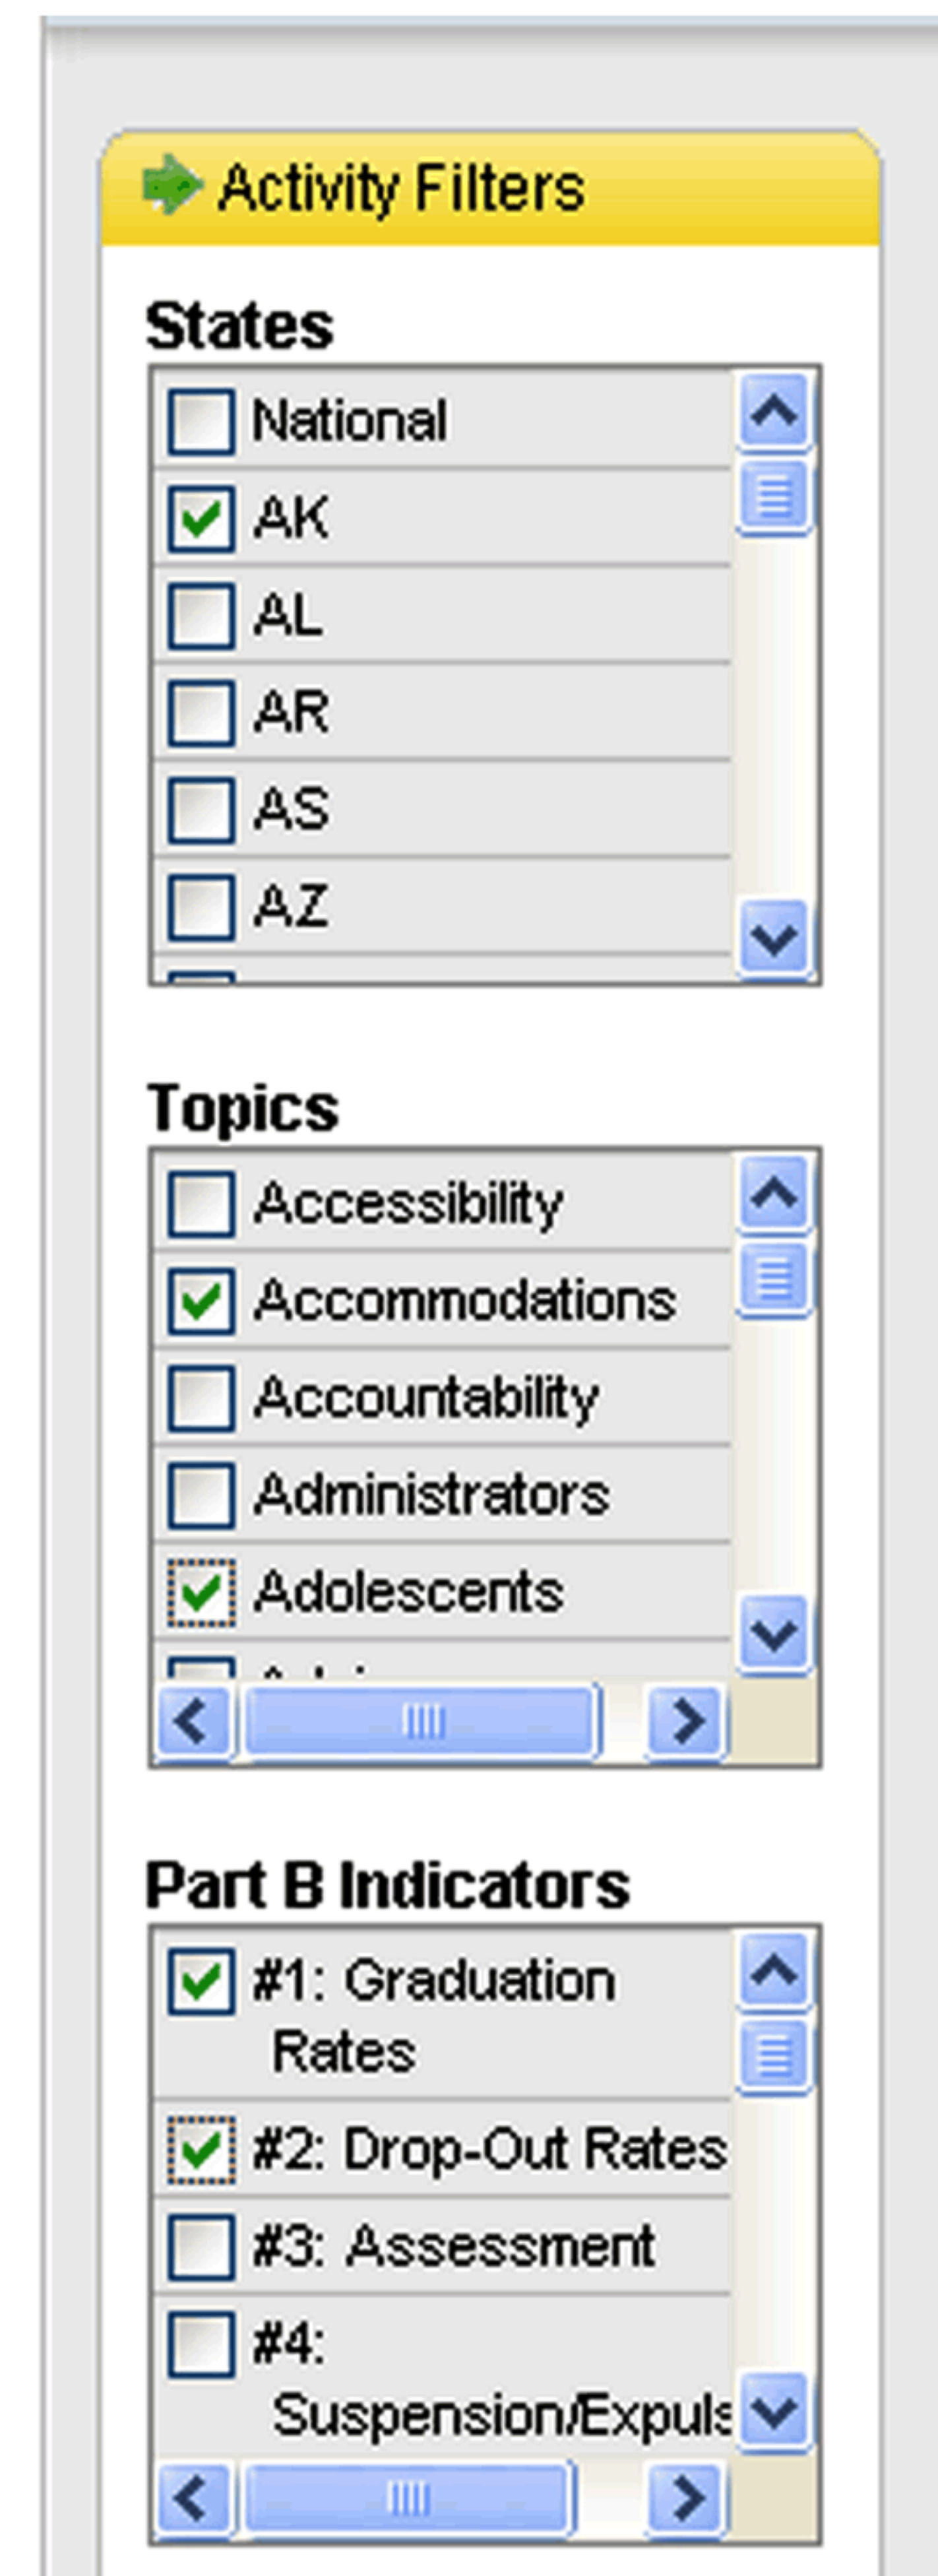

<http://matrix.rrfcnetwork.org>

The Matrix is an extensive database of activities undertaken by the U.S. Department of Education's (ED) Office of Special Education Programs (OSEP) Technical Assistance and Dissemination (TA&D) projects and the Office of Elementary and Secondary Education's (OESE) Comprehensive Centers (CC). Information is entered about activities of the projects and centers in the Matrix, and this database of activities allows states, stakeholders, projects, centers, and others to view the work happening in U.S. states and territories.

The audiences for the Matrix are:

- State and Local Education and Early Intervention Agencies
- U.S. Department of Education
- TA&D Centers
- Comprehensive Centers
- Equity Assistance Centers
- Policymakers
- Institutions of Higher Education (IHEs)
- Parent Networks
